Destination Highlights

Situated on the New South Wales mid-north coast is the resort area of Halliday's Point/Diamond Beach. Described as a classic Aussie beach destination, Diamond Beach has it all. The coastal location, where bush meets the sea, includes pristine beaches, crystal clear lakes and river systems, national parks and rainforests, making this the ideal holiday destination for everyone. Stroll along the magnificent quiet beach, enjoy local fishing or simply relax in peaceful surroundings while enjoying the stunning rock formations at the foot of Diamond Beach. A highlight of any trip to Diamond Beach, other than its beautiful beaches, is the rainforest walk, where travelers can view breathtaking coastal landforms as well as rare tracts of coastal rainforest. There's a host of water sports to enjoy, including swimming, surfing and scuba diving, while adventurous travelers kayak the local rapids; horseback ride through the Australian bush or go dolphin and whale watching.

How to Get There

From Sydney Airport, cross the Harbour Bridge and take the Pacific Highway (F3) north, following signs to Hornsby and Newcastle. At the end of the F3, turn right at roundabout. Go straight ahead 3kms, following signs to Taree, merging into left lane to cross Hexham Bridge. Continue north on Pacific Highway (Highway 1) 130km. 3kms past Nabic turn right across highway onto Failford Rd. Continue 6 kms to T-intersection, turn left onto The Lakes Way. Continue 2 kms, turn right onto Blackhead Rd. Continue 6.5 kms, turn left onto Diamond Beach Rd. Continue 5 kms from turnoff, through roundabout, take second driveway on left at bottom of hill into Seashells Resort.
